

OUR SOCIAL CONSCIENCE

**FASHION
FOR A CAUSE**

The Cotton On Foundation provides social responsibility policies and guidance to the Cotton On Group to help improve and grow their environmental and community responsibility portfolio. The Cotton On Foundation has assisted in providing two policies to the Cotton On Group. These policies are the Cotton On Group Environmental Policy 'Get Your Green On' and the Cotton On Group Ethical Standards.

Environmental Policy

The Cotton On Group Environmental Policy outlines the company's commitment to understanding their environmental impact and also acknowledges their obligations to reduce emissions where possible.

The Cotton On Group, with the assistance of the Cotton On Foundation, is currently in the process of measuring their carbon emissions and investigating and implementing methods to offset these emissions.

Ethical Standards

Ethical Standards have been created for all Cotton On direct suppliers to display in their facilities.

The Cotton On Group encourages all suppliers who display these Ethical Standards, or Code Of Conduct, to abide by them.
